

**Join Folly Quarter Middle School PTA -
"Working On Behalf of Your Child"**

The FQMS PTA invites all parents, guardians, and staff members to join our efforts in making FQMS a wonderful place for our children to learn! We need your help to make this happen.

PTA memberships are individual memberships (not family) and are renewed annually. It provides you with a voice and a vote for future programs and activities for FQ. It also funds all of our cultural arts programs and student activities. We encourage moms, dads, guardians, and teachers to each take out a membership. All PTA members are welcome to attend monthly Exec Board meetings and general meetings. ***Make check payable to FQMS PTA***
