FQMS - FALCON LEGACY BRICK GARDEN

The Falcon Legacy Brick Garden is the perfect opportunity to leave your mark at FQMS! The Brick Garden defines the entrance to FQMS and is a lasting reminder of Falcon Pride, participation and community spirit!

These personalized bricks can be engraved with up to three lines of lettering per brick and up to 15 characters per line. There are endless possibilities to send a message of congratulations, appreciation or inspiration. Perhaps you'd just like your name on the brick to commemorate your family's years at FQMS. Bricks are added to the Garden only once per year – typically near the school's year end.

The cost? Only \$35 per brick, or purchase a package of 3 bricks for \$100.

The result? A legacy that lasts a lifetime – *PRICELESS!*

Complete, detach and return this form to school in an <u>envelope marked</u> "FQMS Legacy Brick Garden"
