The Falcon Legacy Brick Garden is the perfect opportunity to leave your mark at FQMS and support the PTA! The Brick Garden defines the entrance to FQMS and is a lasting reminder of Falcon Pride, participation, and community spirit!

Personalized bricks can be engraved with up to three lines of lettering per brick and up to 15 characters per line. There are endless possibilities to send a message of congratulations, appreciation or inspiration. Perhaps you'd just like your name on the brick to commemorate your family's years at FQMS. Bricks are added to the Garden only once per year – typically near the end of the school year.

**The cost? Only \$35 per brick, or purchase a package of 3 bricks for \$100.
The result? A legacy that lasts a lifetime – PRICELESS!**
